Twice a week, nearly every week, two classes re held in Daytona Beach and two classes are held in DeLand, segregated by gender for both men and women as a joint venture between the Domestic Abuse Council, Inc. and the State Attorney's office.

The Domestic Violence Awareness Class is required by the state attorney for victims who are considering dismissing the charges or who want to modify the injunction against their alleged abuser.

On average 63 people attend the classes monthly.

As you can imagine, these sessions are often emotional. The Domestic Abuse Council is looking for a monthly sponsor for the program to provide 3 dozen pens and 4 dozen individually wrapped pocket size tissue packages.

For more information on this and other programs about domestic violence and prevention, please contact the Domestic Abuse council at 386-257-2297 or call the hotline at 386-255-2102 or 1-800-500-1119.
